M424

Deliver a compelling payment experience for your customers as you enjoy advanced commerce and personalization capabilities with the new Verifone M424. Stunning 5.5” capacitive touchscreen, full motion video and high-quality audio all in a minimized footprint.

- 5.5” Capacitive, multi-touch touchscreen
- Full-motion video support with high-quality audio
- 5MP camera ideal for scanning and accepting alternative payment methods
- Small footprint perfect for busy counters
- Leverages MX 9xx stands and common M400 cables
- Utilizes the power of Verifone Cloud Services for further customization and to add revenue building streams like eCommerce, Pay-by-Link, Advanced Payment Methods and more.
