

Lightweight, durable,
affordable

P200

What are you looking for in a PIN pad? The Verifone P200 delivers exciting features and functionality to small and mid-sized merchants and can help you compete with big businesses. With the P200, you can easily accept mobile payments, build loyalty, display your brand and promote seasonal offers on the vibrant and crisp color screen.

- Vibrant 2.8” color display screen to promote your brand
- Faster processor and more memory to support multimedia usage and expedite checkout
- Accepts MSR, NFC, smartcards, mobile payment options and processes transactions quickly for higher customer throughput and greater satisfaction
- Models with and without Wi-Fi + Bluetooth® available
- Delivers unsurpassed security using Verifone’s Engage payment engine
- Utilizes the power of Verifone Cloud Services for customization and estate management
